St. Andrews Events Heat Up

Spring semester continues at St. Andrews University with a wide assortment of events from athletics, to equestrian, to the Scottish Heritage Symposium.

Symposium

Originally founded in 1989 as a celebration of the 250th anniversary of the coming of the first group of Highland Scots to North Carolina, the "Scottish Heritage Symposium" provides an unparalleled opportunity for persons interested in Scottish and Scottish-American history and culture to learn from top scholars in their fields. This year's symposium will be held April 1-3.

The Symposium provides a forum for study and interaction for anyone interested in Scottish history, culture, and tradition. For any questions, please call **Bill Caudill at 910-277-5236 or email bill@sapc.edu - reservations are suggested.**

Equestrian

St. Andrews University features one of the premier collegiate equestrian centers in the country. Consequently, we are fortunate to host many of the marquee college events.

On February 13th the center will host an IHSA Hunter Seat Show. The center will also host the Regional Finals on March 12th. Hunter seat involves both riding and jumping.

On February 27th and 28th, the IHSA Western competition will be at St. Andrews -- With the 28th serving as the regional Finals. Western consists of both riding and reining: which is the "dressage" of Western riding. Made popular by the Olympics, dressage is a program where the horse and rider are expected to perform from memory a series of predetermined movements and steps.

The spring schedule at the Equestrian Center is culminated with the IHSA Zone 4 Finals for Hunter Seat on Saturday, April 9th.

For more information on all of the events including times, contact the Equestrian Center at **910-276-7771 demusnw@sa.edu.**

Spring Means Golf in Scotland County

In the Carolinas, winter is breaking and time to head outdoors. In Scotland County that means the Lumber River, the bike trails, a stroll through the woods (or St. Andrews' campus) and, most of all, the golf courses.

Our Scottish forbears weren't all work and no play. Along with their pipes and tartans, they brought their fascination with a little white ball and a bag full of clubs. But there's a reason why golf's American heritage is laden with images of the Sandhills region.

The early spring in Scotland County provides much the same inspiring scenery as our rather more well-known neighbor to the north – namely, verdant pine trees with an understory of azalea and dogwood. Against this backdrop, golf course designers have laid out challenging links to test your skills while you enjoy a game with your foursome on a Saturday.

Deercroft Golf and Country Club:

Designed by Gardner Gilley. The "Deercroft" course features 6,566 yards from the long tees, with a par of 72. This beautiful facility is managed by HMS Golf, with **Chris McDonald as Director of Golf. (910) 369-3107. www.deercroft.com**

Cypress Creek Golf Links:

This challenging par-72 Tom Jackson layout totals 6,570 yards from the long tees. **Keith Almond is Owner/Manager. (910) 277-0311**

Scotch Meadows:

Designed by Donald Ross with Russell Breedon, ASCGA, as golf architect.

Chip Wells now manages as Golf Professional.
