## Scotland County Means Beach Music

Summer time in Laurinburg means beach music.  
And beach music in the Carolinas means a good time.

The Laurinburg/Scotland County Chamber of Commerce is excited to announce its Murphy Brown Laurinburg After Five (LAF) concert series. As always the schedule will feature a fun year with great bands, lots of children's activities, and best of all a wonderful opportunity to spend time with friends and family. Make plans to join the Chamber all summer long. The following is a list of dates and bands:

**Friday, June 17th – Hip Pocket**  
**Friday, July 15th – Midnight Allie**  
**Friday, August 14th –The Tams**

The host site again this year will be the James L. Morgan Recreational Complex (in conjunction with Scotland Place), located at 1206 Turnpike Road. In addition to the great music, the Morgan Complex allows for family friendly activities, such as the swings, splash pads, and playgrounds. And best of all, the concerts only cost \$2 – children under 12 are free. Bring your chairs/blankets but no coolers or pets - food and drink will be available.

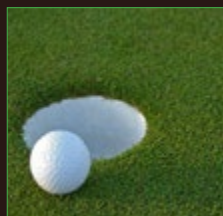

For more information on the concert series and the purchase of tickets (which are also available at the gate), contact the Scotland County Chamber at:  
**[www.laurinburgchamber.com](http://www.laurinburgchamber.com)** or call them at 910-276-7420

In addition to the Chamber concert series, the county also offers beach music every Friday night at the Cypress Bend Vineyard. Located in Wagram, NC, the Cypress Bend Vineyards features 35 acres of vines, a tasting room and a "veranda" for relaxing in the Scotland County sunshine. The vineyard also features live beach music every Friday night.

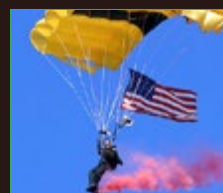

For more info visit their website at: **[www.cypressbendvineyards.com](http://www.cypressbendvineyards.com)**.  
or call them at **(910) 369-0411**.

## Spring Means Golf in Scotland County

In the Carolinas, winter is breaking and time to head outdoors. In Scotland County that means the Lumber River, the bike trails, a stroll through the woods (or St. Andrews' campus) and, most of all, the golf courses.

Our Scottish forbears weren't all work and no play. Along with their pipes and tartans, they brought their fascination with a little white ball and a bag full of clubs. But there's a reason why golf's American heritage is laden with images of the Sandhills region.

The early spring in Scotland County provides much the same inspiring scenery as our rather more well-known neighbor to the north – namely, verdant pine trees with an understory of azalea and dogwood. Against this backdrop, golf course designers have laid out challenging links to test your skills while you enjoy a game with your foursome on a Saturday.

### **Deercroft Golf and Country Club:**

Designed by Gardner Gilley. The "Deercroft" course features 6,566 yards from the long tees, with a par of 72. This beautiful facility is managed by HMS Golf, with **Chris McDonald as Director of Golf. (910) 369-3107. [www.deercroft.com](http://www.deercroft.com)**

### **Cypress Creek Golf Links:**

This challenging par-72 Tom Jackson layout totals 6,570 yards from the long tees. **Keith Almond is Owner/Manager. (910) 277-0311**

### **Scotch Meadows:**

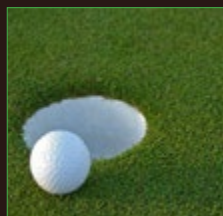

Designed by Donald Ross with Russell Breedon, ASCGA, as golf architect.

**Chip Wells now manages as Golf Professional.**

## Look, up in the sky!

One of our major attractions can be found thousands of feet overhead. A particular source of Scotland County pride is the Golden Knights U.S. Army Parachute Teams, who use Laurinburg-Maxton Airport as their main training facility.

The Golden Knights have a distinguished past that reaches back to the Cold War days of 1959 when 13 hardy souls banded together as the Strategic Army Corps Sport Parachute Team. In the half-century since, they have given jaw-dropping performances of both freefall formations and pinpoint accuracy at stadiums, events, air shows, and other venues across the United States and around the world.

The Golden Knights have two demo teams, the Black Team and the Gold Team, and two competition teams. Their latest innovation are Tandem Teams that reach out to bring citizens closer to the sport of skydiving.

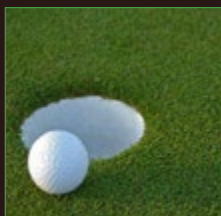

While never failing to deliver oohs and aahs, the Golden Knights aren't mere entertainers. They spend countless hours working with local recruiters and students, showing the kinds of futures the U.S. Army can help them realize.

Practice is held Tuesday – Thursday between 8:30am and 12:30pm at the Laurinburg-Maxton Airport in Laurinburg
